2. Implementasi Branching

A terminal window with a dark background and light-colored text. The window title bar shows three tabs: ".space/scri", "MINGW64:", and "git". The terminal output shows the result of the command "git branch", listing the current branch and remote branches. The text is as follows:

```
* master
remotes/origin/HEAD -> origin/master
remotes/origin/development
remotes/origin/featureA
remotes/origin/featureB
remotes/origin/master
(END)
```
